MULTI-YEAR POLICY AGREEMENT

This Endorsement is attached to and forms a part of the referenced Policy.

For and in consideration of issuance of this Policy for a multi-year term, premium for the Policy, and other mutual terms and conditions, the Company and the Insured agree as follows:

CANCELLATION/NONRENEWAL/TERMINATION: The Company and the Insured retain their respective rights of cancellation, nonrenewal and termination, as set out in the Cancellation/Nonrenewal/Termination clause of the Policy and applicable amendatory endorsements.

ANNUAL OPTION: The Company may exercise the option of policy termination, in whole or in part, at any Policy annual anniversary date in the event of a broadly applied action taken by the reinsurance industry or by governing or regulatory body(ies) that affects the Company's ability to continue to underwrite the Policy with existing terms and conditions. To exercise the termination option, the Company must give the Insured at least sixty (60) days' advance notice and deliver the notice to the Insured before the annual anniversary date. If the Company delivers the notice less than sixty (60) days before that date, coverage will be extended correspondingly beyond the annual anniversary date, at existing terms and conditions, so that the effective date of termination will be sixty (60) days following delivery of the notice. Return of unearned premium will be calculated on a pro-rata basis.

PRICING AND COVERAGE CHANGES: Premium will be calculated and billed annually, based on rates in effect at the inception of this Policy, and will not be modified, except as follows:

- The premium will increase or decrease based on the corresponding increase or decrease in values provided under the value reporting provisions of this Agreement.
- The costs for **earth movement, terrorism and flood** (as such coverage may apply under this Policy) will be determined at each annual anniversary date of this Policy.
- The costs for new locations and coverage(s) as applicable will be determined throughout the term of this Policy.
- The Company may increase premium or change coverage upon notice prior to any annual anniversary date of this Policy, corresponding to changes in insured property if physical protection of such property has been reduced from the level of physical protection existing at the Policy inception date.

VALUE REPORTING PROVISIONS

The Company and the Insured agree to the reporting of values at each annual anniversary as follows. Reports of values will be due within 60 days of the annual anniversary date. Values reported are as of May 22, 2017.

Full Value Reporting at inception and each annual anniversary.

Full Value Reporting: The Insured will report to the Company the 100% value of the following by location:

- 1) stock and supplies - the average and maximum values based on the previous 12 month period.
- 2) all other property - the values in accordance with the VALUATION clause in the PROPERTY DAMAGE section of the Policy.
- 3) Time Element - the Time Element values anticipated for the 12 months following the "Values reported as of date" and the actual Time Element values for the previous 12 month period.

Subject to the deductible general provisions stated below, in each case of loss covered by this Policy the following deductibles apply:

Account No. 1-36689

Policy No. 1024422

LOGISTICS EXTRA COST	USD100,000 per occurrence
All Other Loss	USD100,000 combined all coverages, per occurrence

Deductible General Provisions:

In each case of loss covered by this Policy, the Company will be liable only if the Insured sustains a loss, including any insured TIME ELEMENT loss, in a single **occurrence** greater than the applicable deductible specified above, and only for its share of that greater amount.

- A. For SERVICE INTERRUPTION loss, when a deductible is not specifically stated as applying to SERVICE INTERRUPTION, the deductible applied to the SERVICE

Account No. 1-36689

Policy No. 1024422

INTERRUPTION loss will be the deductible that would apply if the cause of the interruption happened at the insured **location** that sustains the interruption of the specified services.

- B. For CONTINGENT TIME ELEMENT EXTENDED loss, when a deductible is not specifically stated as applying to CONTINGENT TIME ELEMENT EXTENDED, the deductible for CONTINGENT TIME ELEMENT EXTENDED loss will be determined as though the **contingent time element location** was an insured **location** under this Policy.
- C. The stated earthquake deductible will be applied to earthquake loss. The stated **flood** deductible will be applied to **flood** loss. The stated **wind** deductible will be applied to **wind** loss. The provisions of item E below will also be applied to each.
- D. When this Policy insures more than one **location**, the deductible will apply against the total loss covered by this Policy in an **occurrence** except that a deductible that applies on a per **location** basis, if specified, will apply separately to each **location** where the physical damage happened regardless of the number of **locations** involved in the **occurrence**.
- E. Unless stated otherwise, if two or more deductibles apply to an **occurrence**, the total to be deducted will not exceed the largest deductible applicable. For the purposes of this provision, when a separate Property Damage and a separate Time Element deductible apply, the sum of the two deductibles will be considered a single deductible. If two or more deductibles apply on a per **location** basis in an **occurrence**, the largest deductible applying to each **location** will be applied separately to each such **location**.
- F. When a % deductible is stated above, whether separately or combined, the deductible is calculated as follows:

Property Damage – % of the value, per the Valuation clause(s) of the PROPERTY DAMAGE section, of the property insured at the **location** where the physical damage happened.

Time Element – % of the full Time Element values that would have been earned in the 12 month period following the **occurrence** by use of the facilities at the **location** where the physical damage happened, plus that proportion of the full Time Element values at all other **locations** where TIME ELEMENT loss ensues that was directly affected by use of such facilities and that would have been earned in the 12 month period following the **occurrence**.

- G. For insured physical loss or damage:
 - 1) to insured fire protection equipment; or
 - 2) from water or other substance discharged from fire protection equipment of the type insured,

the applicable deductible applying to items 1 or 2 above only will be reduced by fifty percent (50%), per **occurrence**. However, this provision will not apply to loss or damage resulting from fire or **earth movement** regardless of whether claim is made for such fire or **earth movement**.

This coverage exception for such resulting fire loss or damage does not apply to:
 - (i) direct loss or damage by fire which results from any other applicable exclusion in the Policy, including the discharge, explosion or use of any nuclear device, weapon or material employing or involving nuclear fission, fusion or radioactive force, whether in time of peace or war and regardless of who commits the act.
 - (ii) any coverage provided in the TIME ELEMENT section of this Policy or to any other coverages provided in this Policy.

- D. In determining the amount of loss payable, the Company will consider the experience of the business before and after and the probable experience during the PERIOD OF LIABILITY. The probable experience will consider any increase or decrease in demand for the Insured's goods or services during the PERIOD OF LIABILITY, even if such increase or decrease is from the same event that caused physical loss or damage starting the PERIOD OF LIABILITY.

2. TIME ELEMENT COVERAGES

A. INSURED OPTION

The Insured has the option to make claim based on either

- a) GROSS EARNINGS and EXTENDED PERIOD OF LIABILITY; or
- b) GROSS PROFIT,

as described in the TIME ELEMENT section of this Policy and subject to the applicable terms and conditions as may be shown elsewhere.

Such option may be exercised at any time prior to the conditions set forth in the SETTLEMENT OF CLAIMS clause in the LOSS ADJUSTMENT AND SETTLEMENT section of this Policy.

- (i) immediately following the interruption of production or suspension of business operations or services, and
 - (ii) only to the extent such payroll continues following the loss and would have been earned had no such interruption happened.
- 2) For the purposes of the Measurement of Loss, Gross Earnings is:

the total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the Insured consisting of ticket revenue, suite license fees net of ticket revenue, club suite premium, stadium naming rights, concession and merchandise income and in-stadium advertising.

Any amount recovered under property damage coverage at selling price will be considered to have been sold to the Insured's regular customers and will be credited against net sales.
- 3) In determining the indemnity payable as the Actual Loss Sustained, the Company will consider the continuation of only those normal charges and expenses that would have been earned had there been no interruption of production or suspension of business operations or services.
- 4) If the Insured would have operated at a deficit had no interruption of production or suspension of business operations or services happened, the following applies:
 - a) for Gross Earnings, the extent to which charges and expenses would have been earned will be determined by subtracting the operating deficits from the charges and expenses that necessarily continue.
 - b) for Ordinary Payroll, the extent payroll would have been earned will be determined by subtracting the excess, if any, of the operating deficit over the fixed charges that need to continue from such payroll.
- 5) There is recovery hereunder to the extent that the Insured is:
 - a) wholly or partially prevented from producing goods or continuing business operations or services;
 - b) unable to make up lost production within a reasonable period of time, not limited to the period during which production is interrupted;

In determining the Reduction in Sales, any amount recovered under property damage coverage at selling price will be credited against lost sales.
- b) Ordinary Payroll, including taxes and charges dependent on the payment of wages, during the PERIOD OF LIABILITY only to the extent such payroll would have been earned had such loss not happened.

Ordinary Payroll does not cover any portion of salaries or wages included in Net Profit or fixed charges.

- c) with respect to Increase in Cost of Doing Business:
 - (i) the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in sales and a loss of Ordinary Payroll which, but for that expenditure, would have taken place during the PERIOD OF LIABILITY; but
 - (ii) not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction thereby avoided,

all less any sum saved during the PERIOD OF LIABILITY with respect to such of the Insured Fixed Charges as may cease or be reduced because of such interruption of business.

- 2) For the purposes of the Measurement of Loss:

Gross Profit is:

The amount produced by adding to the Net Profit the amount of the Insured Fixed Charges, or if there be no Net Profit the amount of the Insured Fixed Charges less that proportion of any loss from business operations as the amount of the Insured Fixed Charges bears to all fixed charges.

The rate of Gross Profit earned on the sales during the twelve full calendar months immediately before the date of the physical loss or damage to the described property.

Standard Sales is:

The sales during that period in the twelve months immediately before the date of the physical loss or damage to the described property which corresponds with the PERIOD OF LIABILITY.

- 3) In determining the indemnity payable as the Actual Loss Sustained:
 - a) if any fixed charges of the business are not insured hereunder, then, in computing the amount recoverable hereunder as Increase in Cost of Doing Business, that proportion only of the additional expenditure will be recoverable hereunder which the sum of the Net Profit and the Insured Fixed Charges bears to the sum of the Net Profit and all the fixed charges excluding Ordinary Payroll.
 - b) if during the PERIOD OF LIABILITY goods will be sold or services will be rendered elsewhere than at the insured **locations** for the benefit of the business, either by the Insured or by others on the Insured's behalf, the money paid or payable in respect of such sales or services will be included in arriving at the amount of sales during the PERIOD OF LIABILITY.
- 4) The Insured will act with due diligence and dispatch in repairing or replacing physically damaged buildings and equipment to the same or equivalent physical and operating conditions that existed prior to the damage; and take whatever actions are necessary and reasonable to minimize the loss payable hereunder.

SUPPLEMENTAL UNITED STATES CERTIFIED ACT OF TERRORISM ENDORSEMENT

This Endorsement is applicable to all insured Locations in the United States, its territories and possessions and the Commonwealth of Puerto Rico.

Coverage for “Certified Act of Terrorism” Under The Terrorism Risk Insurance Act of 2002, as amended.

In consideration of a premium charged of USD**66,240**, this Policy, subject to the terms and conditions therein and in this Endorsement, covers direct physical loss or damage to insured property and any resulting TIME ELEMENT loss, as provided in the TIME ELEMENT section of the Policy, caused by or resulting from a Certified Act of Terrorism as defined herein.

Notwithstanding anything contained elsewhere in this Policy, any exclusion or limitation of terrorism in this Policy and any endorsement attached to and made a part of this Policy, is hereby amended to the effect that such exclusion or limitation does not apply to a “Certified Act of Terrorism” as defined herein. This amendment does not apply to any limit of liability for a Certified Act of Terrorism, if any, stated under the LIMITS OF LIABILITY clause of the DECLARATIONS section of this Policy.

With respect to any one or more Certified Act(s) of Terrorism, this Company will not pay any amounts for which the Company is not responsible under the terms of the Terrorism Risk Insurance Act of 2002 (including subsequent action of Congress pursuant to the Act) which includes a provision stating that if the aggregate insured losses exceed USD100,000,000,000 during any calendar year, neither the United States Government nor any insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceed USD100,000,000,000. If the aggregate insured losses for all insurers exceed USD100,000,000,000, your coverage may be reduced.

The coverage provided under this Endorsement for “Certified” losses caused by acts of terrorism will be partially reimbursed by the United States Government under a formula established by Federal Law. Under this formula, the United States pays 85% (and beginning on January 1, 2016, shall then decrease by 1 percentage point per calendar year until equal to 80 percent) of covered terrorism losses exceeding a statutorily established retention by the insurer referenced in this Policy. The premium charged for this coverage is provided above.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Endorsement or the Policy.

The coverage provided by this Endorsement only applies to a Certified Act of Terrorism.

Reference and Application: The following term(s) means:

Certified Act of Terrorism:

A “Certified Act of Terrorism” means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002 as amended and
